(Case)

Someone placed an order with a certain company for a huge amount of ingredients and instructed to deliver them to a false facility in Kampala, Uganda in Africa by fraudulently pretending to be a Megmilk Snow Brand Officer through sending an e-mail. The e-mail domain (@megmilksnow.com) in sender's e-mail address was not our proper domain.

Please be advised that MEGMILK SNOW BRAND Co., Ltd. and MEGMILK SNOW BRAND group companies have no business site in Uganda or in anyplace in Africa and we have absolutely no connection with such e-mails. We ask that you exercise utmost caution in dealing with such e-mails.
